

Georgia Spring Camp 2010

North East Georgia, United States

The Georgia Spring Camp is held in North East Georgia on the east coast of the USA. People from all assemblies are welcome.

The camp runs over the Easter weekend of **2nd-5th April**. We will arrive as early as possible Friday afternoon and leave Monday afternoon. Please contact John Lawson if you want to arrive in Georgia before camp starts. It's a fully catered camp (ie cooking & cleaning duty for all).

Where it's held

We have a great new location this year in Crawfordville Ga. (A.H. Stephens State Park). Some of the filming for "Sweet Home Alabama" was done there. Hence, a very pretty small southern town. The camp is in a state park adjacent to the town.

The camp address will be posted on our web site several weeks before camp. <http://revivalusa.org/ga>

Or contact John Lawson. jlawson62@hotmail.com

The closest airport is Atlanta (ATL), +/- 95 miles from camp.

What there is to do

The property is in a wooded area, and next to a lake. You can go boating, fishing or hiking in the woods. There is a civil war museum at the park.

There will be meetings and talks in the mornings and evenings. Items are not only tolerated, but encouraged! The main room provides for a relaxed environment for fellowship, with a fireplace and picturesque views of the lake.

Accommodation

Cabin type accommodation with shared use of showers and bathrooms. You will be required to bring your own bedding & pillows. Sleeping bags can be rented for \$10 if needed. (We have a limited amount so let us know asap if you'll need one.)

Location: Crawfordville, Northeast Ga. USA. (1 1/2 Hours from Atlanta, Exit 148, Off I-20)

What to bring

Those coming are encouraged to bring their musical instruments and be involved in items. If you give talks in your home assembly, have a talk ready.

Average temperatures at Easter range from 40F (4C) min, to 70F (21C) max. It does get a little cool outside at night. Days in Spring are generally very pleasant.
